

New Miami Local School District

How to Receive Social/Emotional Support Services

Therapy:

1. Reach out to the Social/Emotional Learning (SEL) Coordinator, Nathan Ortlieb
2. The SEL Coordinator will speak with the student and their legal guardian about therapy offered at school through Catalyst Counseling
3. If the student's parent/guardian believes school based therapy is the right fit for their child, the SEL Coordinator will submit a referral to Catalyst Counseling
4. Our school based therapist, Chaundra Hornsby, will reach out to the family to send out intake paperwork
5. Once paperwork is complete, the therapist will schedule an intake appointment

As needed sessions with the Social/Emotional Learning Coordinator:

1. If a student is having a difficult day at school and just needs someone to listen to them, they can email the Social/Emotional Learning (SEL) Coordinator to request a session. If a parent/guardian would like the SEL Coordinator to meet with their child, they can also send an email or a phone call requesting that their child has a session
2. After the email is received, the SEL Coordinator will meet with the student at their soonest availability
3. If a student wants to continue meeting with the SEL Coordinator throughout the school year, a permission slip will be sent home

Peer Support Group:

1. If a student is interested in joining a peer support group, they can email the Social/Emotional Learning (SEL) Coordinator or talk to him in person about being placed into a group. If a parent/guardian would like their child to join a group, they can also send an email or a phone call stating their request.

Nathan Ortlieb

Social/Emotional Learning Coordinator, PreK-12
